

Lining Up.

Much depends upon your apparel, as to whether you feel like "lining up" with the other fellows in your set. Clothes have much to do with the way a man feels after all. If he's dressed neatly, in an up-to-date, comfortable suit, he's much more likely to be found at the front, "lined up" with the other fellows in his set. If he's dressed in old, shabby, and durable clothes at moderate prices.

Men's Fine Trousers.
